

Notice to Mariners

Date of Issue: 02/09/2024

**To: All Mariners and Navigational Authorities**

MARINERS ARE ADVISED OF COASTAL MARINE SURVEY ACTIVITIES ON LOCH ALSH FROM 4<sup>TH</sup> TO 12<sup>TH</sup> SEPTEMBER 2024.

Caintech Ltd. will be undertaking survey activities using hull mounted multibeam echosounder during this time.

**Vessel:**

Pioneer Workboat 'Kessock 2'

Owner: Caley Marina

MMSI: 232004611

Call Sign: MAGH9

Vessel Phone: 07740680509

07500068558 (Alternative contact)

**Description of Works:**

Geophysical survey of the above area will be undertaken using vessel mounted multibeam echosounder.

The vessel will be carrying out several parallel runs.

*Mariners are advised to provide the vessel with ample clearance.*

The survey office is contactable on 01463 236539

**Working Areas:**

The works are to take place on Loch Alsh (north of the Kyle Rhea strait) in the area bounded by the coordinates below and shown in Figure 1.

Latitude	Longitude
57.264631	-5.649714
57.263538	-5.647449
57.258521	-5.647434
57.257957	-5.652305
57.258765	-5.654807
57.260565	-5.657225
57.262143	-5.656768
57.263819	-5.653549

Figure 1 Survey Area (Loch Alsh) is outlined in white.

### Duration:

The vessel will be working throughout daylight hours only. The works are due to take place between the 4<sup>th</sup> and 12<sup>th</sup> September, weather permitted.
