

LOCAL NOTICE TO MARINERS NO 01 OF 2025

LT14 WESTERN ISLES HVDC LANDFALL NEARSHORE GI

Issue date: 04/11/25

Mariners are advised that from 05th November 2025 to 30th November 2025 the Fugro jack up barge (JUB) “Aran 250” will be performing nearshore geotechnical boreholes. These works will be conducted on behalf of Scottish & Southern Electricity Networks Transmission (SSENT).

The Aran 250 will be positioned for borehole sampling at Arnish Point and at Dundonnell within Little Loch Broom.

A 200m exclusion zone will be enforced around the JUB at all times. Vessels are to take caution when navigating in this area and pass well clear of the JUB.

Programmed works will commence at Arnish from 08th November 2025.

Geotechnical Borehole Locations:

	WGS 84 UTM zone 30N			
	Easting [m]	Northing [m]	Latitude WGS84	Longitude WGS84
Arnish Point				
LT14-AP-BH01	301381	6454977	58° 10.934' N	006° 22.695' W
LT14-AP-BH02	301377	6453607	58° 10.735' N	006° 22.68' W
LT14-AP-BH03	301456	6453622	58° 10.745' N	006° 22.6' W
Dundonnell				
LT14-Dd-BH01	367872	6413529	57° 50.647' N	005° 13.554' W
LT14-Dd-BH02	367492	6413766	57° 50.768' N	005° 13.946' W
LT14-Dd-BH03	367135	6413915	57° 50.842' N	005° 14.311' W
LT14-Dd-BH04	367177	6413983	57° 50.879' N	005° 14.271' W

Important Information:

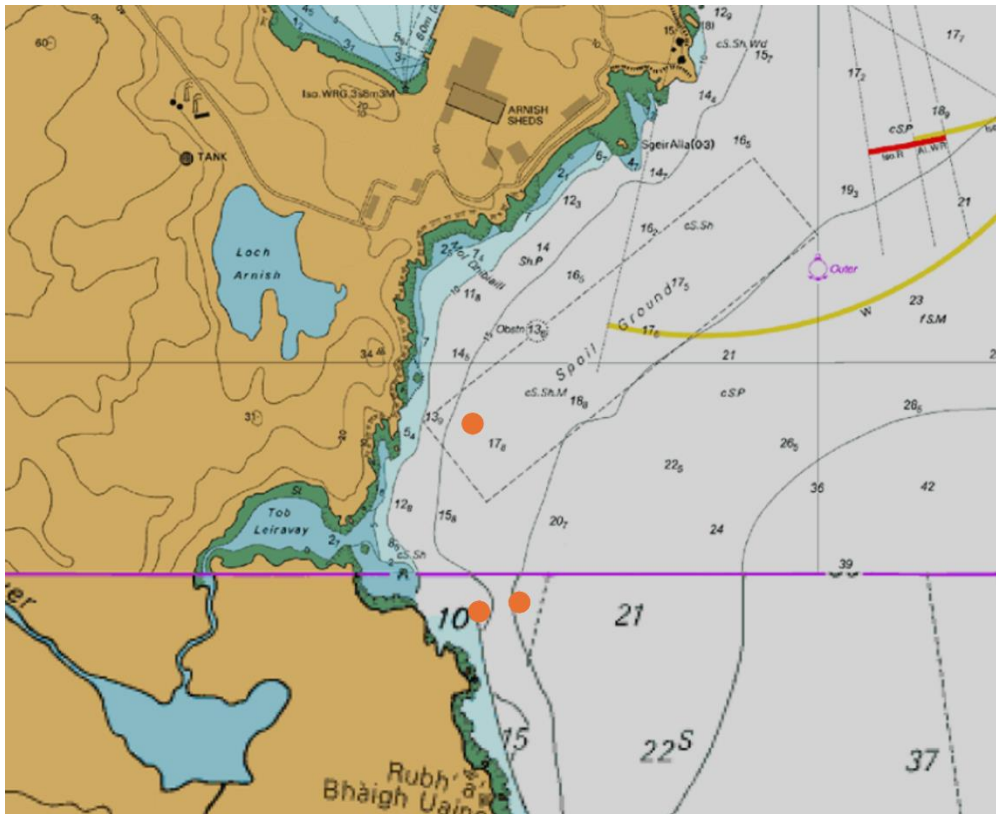

Geotechnical operations at the site are expected to be carried out from the Jack Up Barge (JUB), Aran 250 and will be operational 24hrs a day, unless stood down by weather conditions.

- Day Shift – 0700hrs to 1900hrs
- Night Shift – 1900hrs to 0700hrs

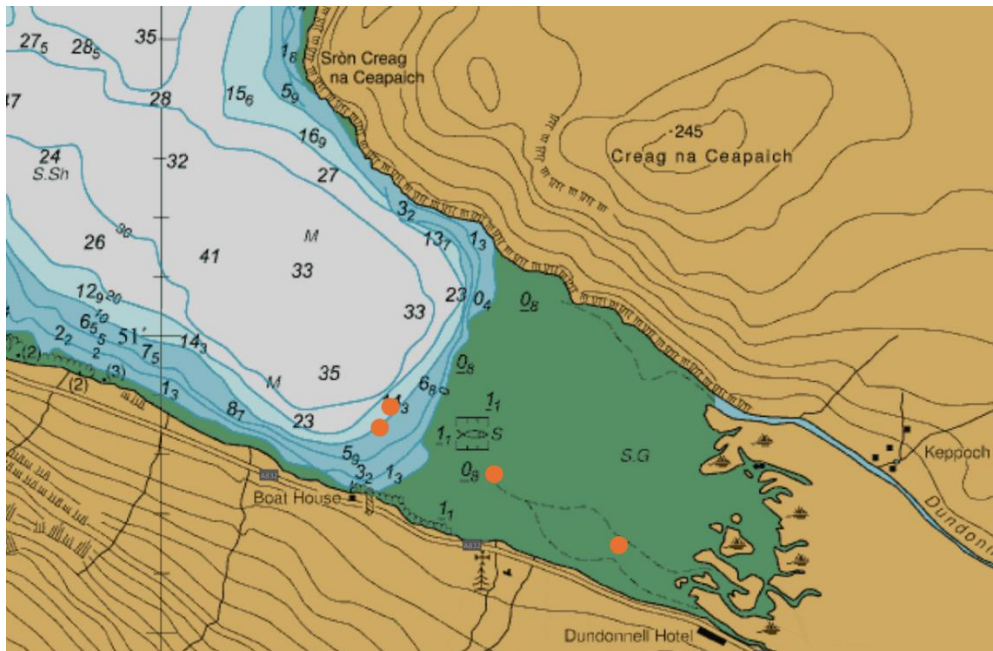

JUB crew will not be living on board and the Vigilant RHIB will be operational between Stornoway for the Arnish Point scope, and Ullapool for the Dundonnell scope. Crew transfers will occur twice daily.

The JUB will be supported by a dedicated multicat Leanne P and C-Force.

The Aran 250 will be towed using the Leanne P from Kishorn to Stornoway, and then from Stornoway to Arnish. Once the Arnish works are complete, it will then be towed again from Stornoway to Dundonnell.

1: Arnish Point borehole locations (orange dots)

2: Dundonnell borehole locations (orange dots)

Exclusion Zones

When Aran 250 is jacked to safe working height it requires a 200m exclusion zone for all other marine traffic wherever possible. Should it be necessary for a vessel to make a planned entry into the exclusion zone, vessels are requested to contact the Barge Master.

When Aran 250 is in the water or under tow, it requires a 200m exclusion zone wherever possible and a speed reduction for all vessels who wish to pass it to minimise wake and wash.

The jack-up barge will be lit to and display **RED_WHITE_RED** lighting and shapes to indicate that it is a vessel restricted in its ability to maneuver.

Expected crew transfer Distance: 2.5Nm (Arnish to Stornoway) 18Nm (Dundonnell to Ullapool)

Transfer Duration: 15 minutes (Arnish) 30 Minutes (Dundonnell)

A continuous listening watch will be conducted on VHF Channel 14.

Operations Manager	Eva Purfit Mobile No: +44 (0) 7827 627464 Eva.Purfit@blackhallpowis.com

Vessel Details:

General Information	
Name	Aran 250
Flag	United Kingdom
Call Sign	2DXZ7
MMSI	235082912
Class	Offshore Self Elevating Unit Coastal
Dimensions	
Length	27m
Beam	17.1m
Draught (loaded)	1.2m
Gross Tonnage	275 t
Communication	
Master	Joshua Sandy
Vessel Phone	+44 7805 733 954
Email:	j.sandy@fugro.com

General Information	
Name	Leanne P
Flag	Netherlands
Call Sign	2HMX9
MMSI	235104964
Class	Bureau Veritas 1, hull and machinery, special service/ multipurpose ship, unrestricted area
Dimensions	
Length	23.95m
Beam	9.45m
Draught	2.1m
Gross Tonnage	102t
Communication	
Master	Tim Helmer
Vessel Phone	07795 403 549
Email:	leannep@gssplant.co.uk

General Information	
Name	Vigilant
Flag	United Kingdom
Call Sign	MKWL9
Class	MCA Category 2 – 60NM Offshore day & Night Load Line exemption certificate
Dimensions	
Length	12.5m
Beam	3.5m
Draught (loaded)	0.8m
Gross Tonnage	8.4t
Communication	
Master	James McGullivray
Vessel Phone	+447940253859
Email:	Chris@commercialribcharter.co.uk

General Information	
Name	C-Force
Flag	UK
Call Sign	MITT4
MMSI	232033970
Class	Damen Multicat 2712
Dimensions	
Length	27.27m
Beam	12.45m
Draught	2.65m
Gross Tonnage	299t
Communication	
Master	Alan Roberts
Vessel Phone	+44 7544164793
Email:	c-force@leaskmarine.com

Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Sailing Organisations should ensure that the contents of this Notice are made known to the masters or persons in charge of their vessels or craft.

The Mariners are advised to exercise caution and follow any additional instructions provided. Please be advised that this Notice to Mariners should be treated as official notice of the nature, duration and location of the works which are scheduled to take place. During the period of this notice, failure to remove equipment or entry into the identified location in a manner that would constitute a hazard to the operations described may be considered a breach of the Convention on International Regulations for Preventing Collisions at Sea 1972 and/or the Merchant Shipping Act 1995 (a breach of which can carry criminal sanctions).
