PROJECT OVERVIEW

Please be advised that Aspect Land & Hydrographic Surveys Ltd (on behalf of SHEPD) will be undertaking a subsea inspection in the Outer Hebrides marine area. Please refer to Figure 1 that highlights the location.

Given the different conditions and water depths anticipated on site, a range of vessels will be available for the project, detailed overleaf.

The inspection works will be centred on a 50m cable corridor, defined by the start and end coordinates listed in Table 1.

Circuit ID	Cable Name	Start Point		End Point
