

Notice to Mariners

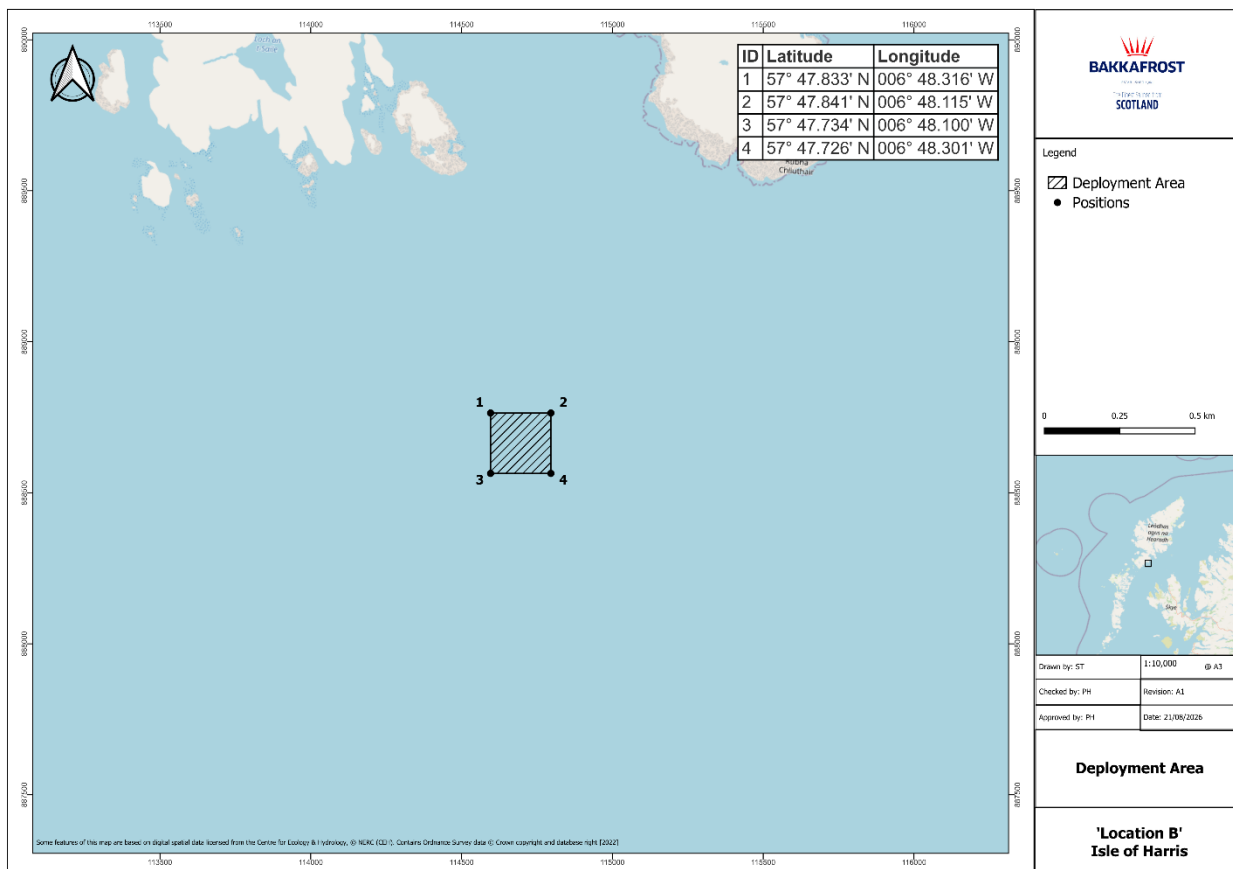

Vessels and General Safety Advice

Deployment of scientific equipment 25/08/2026

1. INTRODUCTION

Mariners are advised that Bakkafrost Scotland (BFS) will be carrying out two Hydrographic surveys near East Loch Tarbert, Isle of Harris. The proposed works are planned to start on **Tuesday 25th August** and will last approximately **100 days'**, weather depending. The approximate positions are illustrated on the chart extract below:

Both deployment locations will be marked by 1 yellow buoy, marked “survey”, and one orange buoy.

Mariners are requested to navigate with caution in these areas.

2. SAFETY

Throughout operations, the vessel will be displaying the shapes and lights prescribed in the International Rules for the Prevention of Collisions at Sea (COLREGS) Rule 27 and will be displaying the prescribed shapes and lights when the vessel is restricted in its ability to manoeuvre. Furthermore, it is requested that anybody having knowledge of any potential objects submerged or moored on the seabed, within the survey areas, that could be damaged or form a hazard to the vessel and its equipment advises BFS of their position and nature. When operations commence a listening watch will be maintained on VHF Channel 12 and 16 when within the appropriate port authority area.

3. VESSEL

Operations will be conducted by the vessel **MV Te Bhan**. Contact can be made with the vessel using the details listed below.
